

## Dramatic Play

I'm learning how to cooperate and get along with others! This practice will come in handy as I grow up! I'm learning how to use language by talking about ideas and negotiating as I play. When I pretend to be someone else, I'm beginning to develop empathy. I can even overcome some of my fears by pretending to be bigger or stronger and acting out what I might do in an uncertain situation.

*Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful.*

—Colossians 3:15, NIV
