ACSI Student Leadership & Learning

Volunteer Submission Form (In-Person)

Email this form to the Chairperson 30 days before the Math Olympics or by the Chairperson's deadline.

School Name _____ Phone _____

School Coordinator _____ Coordinator's Email _____

Each participating school must provide five (5) adult volunteers to serve as Monitors, Timers, and Scorers at the ACSI Math Olympics. Failure to meet this volunteer requirement will result in removal from the event. In such a case, school registration and student participation fees will still be assessed.

The school administration affirms, **"All staff and volunteers provided by the school meet its internal policies and standards and state requirements for working with children in a K-12 private school setting."**

Conflicts of interest – If a volunteer is a participant's parent, list the student's name and grade level.
