# Biblical Studies Sessions

## The Original Gospel Quartet

The Original Gospel Quartet is a four-part series of biblical studies trainings for early educators presented by Rev. Dennis Mohler of Calvary Baptist Church in Whittier, CA. Each session allows you to dig into the New Testament Books of Matthew, Mark, Luke, and John. You'll discover how the Gospels are stories that communicate the truths of the Bible through each author's perspective. Rev. Mohler teaches you how to focus on the text in Scripture while applying real-life situations through storytelling in the early education classroom. Be sure to print the handouts before starting each training, as Rev. Mohler allows time for you to pause the study to complete or review them.

- Part 1** Matthew and How His Gospel Presents Jesus as Israel's King and Messiah
- Part 2** Mark and How His Gospel Emphasizes that Jesus Came as a Servant
- Part 3** Luke and How His Gospel Presents Jesus as the Son of Man
- Part 4** John and How His Gospel Persuades People to Believe in Jesus, God's Son

## What's in a Name: A Study of the Names and Character of God

Do you know the story behind your name and why your parents chose it? Sometimes we choose names for their meanings, because they remind us of someone special, or in hopes they will develop a specific character linked to the name's meaning. When it comes to the name of God, the many meanings for it have extraordinary significance for us. God is so amazing, so complex, so vast, and simply so awesome, that just one name can't describe Him. Be refreshed by a panel of presenters as this 12-part series explores many of the names and character traits of the God we love and serve. Join along with one or all sessions in the series and deepen your understanding of and love for God.
