Unity in a Polarized Culture

Navigating Contentious Issues with Biblical Principles

Jerry Nelson, ACSI Chief Ministry Officer

Develop a Biblical Worldview on the Topic of Unity in Christ

Key Question:

Do you have a published statement of a biblical worldview of the believers' unity in Christ?

Foster Clear Lines of Communication for Collaborative Problem-Solving

Key Question:

Do you have structures in place to facilitate collaborative problem-solving across all constituencies?

Proactively Establish a Culture of Respect and Understanding

Key Question:

What strategies can you implement?

Provide Education on Biblical Unity Principles

Key Question:

What available opportunities do you have to train constituents in biblical unity principles?

Lead by Example in Upholding Biblical Unity Principles

Key Question:

How do you portray biblical unity to your leadership team, faculty & staff, students, parents, etc.?

1. How has disunity/disruption manifested itself in your school?
2. What outlets do you provide for students to share their differences?
3. How have you prepared your teachers to discuss the difficult issues with your students?
